

Worldarama DVDs

Worldarama movies transform your television screen into a window on the world. The New Zealand series features spectacular moving scenes from one of the most beautiful countries on earth and together with their natural ambient sound tracks bring the total experience right into your room.

Below is a selection of scenes from the series.

Full length DVDs and more available from our website at www.worldarama.com

True North

[Scenes from the far north of New Zealand. Instant summer whenever you wish.](#)

Black Sands

[Experience the magic of New Zealand's black sand beaches.](#)

Coast!

[Separated from the rest of New Zealand by the Southern Alps, the West Coast of the South Island has a distinctive and rugged allure.](#)

Beyond Paradise

[Near Lake Wakatipu is a place called Paradise. It was from there that we set out to film the spectacular landscapes of New Zealand's lake district.](#)

New Zealand Series

[Scenes from the titles listed above.](#)
